State Topper Felicitation Ceremony

Tanya R. N., 10th grade student of 24-25 batch was felicitated by Karnataka CM Siddaramaiah and Dy CM Shivakumar in Bangalore on 29th May, 2025.

School Reopening

The school reopened for grade 1-9 on June 2nd and for kindergarten on June 9th. The students were welcome to a fresh start of the new academic year.

News from NCC 13 Kar

4 students of 9th grade Shravani Satish, Chayashree N., Niranjana and Yashas Bharadwaj R of NCC 3 Kar Battalion participated in the Thal Sainik Camp (TSC) practice selection on 2nd of June. Three of them were selected for the 10-day camp.

The selection for the next NCC 13 Kar batch was done on 12th of June. 25 cadets were selected from the 40 aspiring students.

Educational Tours

*9th grade Students went to the CFTRI campus to see the exhibition on “World Environment Day”. The display of eco friendly materials were worth the visit.

*10th grade students visited the ‘Open Day 2025’, organized by JSS Science and Technology University (JSS STU) and Sri Jayachamarajendra College of Engineering (SJCE), on the 31st May. Students from various engineering colleges in Mysuru, Bengaluru, and nearby regions took part in various contests. The displays highlighted the creativity and problem-solving skills of participating students.

World Environment Day Celebration

All the students across classes participated in the Environment Day celebrations on 5th June. There was assembly program that included awareness on “a clean school happy school”. A cleaning drive, of the playground, was also organized.

The NCC cadets and grade 4 students had an exclusive planting drive of indoor plants, which are on display in the first floor of the primary school building.

International Yoga Day

Students from grade 3 to 9 participated in the International Yoga Day celebration both in the palace grounds as well as the Sachidananda Ashram. Around 200 students and 4 teachers participated in the program. Newly appointed yoga teacher Ms Amulya trained all students from LKG to grade 9 on the various asanas as per the IYD protocol.

Extended Activities

A papercraft session was conducted for the students of grade 1-5. Students and teachers thoroughly enjoyed the craftsmanship of the presenter.

Three of our students Tamanna, Charitriya and Jeevitha have participated in the Argumentation and Debate workshop organized by V-Lead in collaboration with ILR Schools (School of Industrial and Labour relations), Cornell University, USA.

Intra-school Competitions

As part of the Intra-school competition, all students of grade 6-10 attended the GK Competition and class wise prizes were distributed. The best performers of grade 9&10 are now preparing for various inter-school Quiz competitions.

The prizes and certificates for the Spell Bee competitions held last year were distributed on 5th June.

Celebrations @ BVB

The two major celebrations that were conducted in BVB were welcoming the tiny tots of Kindergarten and the Aksharabhyasa program exclusively for the LKG students.

On the reopening day, there was an orientation session for parents on “Building a healthy School-Parents’ relationship”. Students also enjoyed the puppet show, balloon releasing and danced with the mascots.

Students of LKG were formally introduced to the learning through the Aksharabhyasa program.

Teacher Enrichment Program

3 of the 5 sessions on the English Language training program is completed. Teachers are being trained on self-introduction, small talks, basic pronunciations mistakes and MTA.

A Virtual STEM education session was conducted on 26th June. 2 science, 2 math teachers and the principal attended the session. The Bhavan's Kochi Research Center has invited Dr Manish Jain, Prof from IIT Gandhinagar to conduct this session. The session was to create awareness on educational toys that will help explain different concepts in science and math education.

Students' Handbook - Revised

Students' handbook was revised this year. There are add on instructions to students and parents, QR Code for payment, Bus route and contact numbers. The look and feel of the handbook are also revised.

Formative Assessment 1

The first formative assessment for grade 3-10 started on 25th June, 2025. This time we have split the dates for assessments as pre-KG to grade 2 needed more settling time. They will write the FA1 during the second week of July.

Cultural Outreach Program-145

The Hindustani vocal concert by Vidwan Dr. Dattatreya Velankar accompanied by Sumith Naik on tabla and Veerabhadraiah Hiremath on harmonium was hosted on

21th June, 2025 (Saturday) from 6:30 pm to 9:00 pm. Most of the audience could connect to the history behind introduction of “Hindustani music” to the people of Mysuru.

Enu nirupama sobagu..., Yashodaye Amma ennanu etthikollamma.. and Bijuri Barase... were a few recitals that were applauded by the audience. The artist made connotations to present day challenges including child psychology to keep the audience engaged in reflective thoughts.
