Onelern Refresher Course for Kindergarten Teacher

We are continuing with the onelern curriculum this year also and a refresher course was conducted on 24th May, which included importance of integrating Panchakosha concept and holistic development. The whole curriculum is built on Pachaadi (the five step learning process which includes Adhiti (introduction), Bodh (conceptual understanding) Abhyas (Practice), Prayog (application, Prasar (expansion). They were also educated on the 6Fs of Inclusion in early childhood (Fitness, Functioning, Friends, Family and Fun). Teachers were introduced to “Scaffolding and Gradual Release of Responsibility model (I do, We do and You do)”.

Execution of Dialogue Book (newly introduced)

With the objective of improving the spoken English communication, we have introduced the Orient Black Swan series called the “Dialogue” for 1-9 graders. The trainer **Ms Uma Maheshwari** from Bangalore conducted a session on 21st May for grade 1-9 English teachers on the execution of the textbooks in the classrooms.

Building Blocks - Refresher Course

Grade 1&2 teachers were introduced to the new features/revisions in the grade 1&2 textbooks by an external resource person **Ms Rashmi Praveen** on 27th May. She took a session on 21st century skills.

Grade 10 and Kindergarten Digital Resources - Updates

The grade 10 teachers were given insights on the upgraded features of the Digi board content (Smart Learning Modules, Animations-Video-based learning, Question Bank/Quiz, Presentations) on 21st May, which will enhance the conceptual understanding in students.

The kindergarten teachers were given hands-on training on 27th May on the different features of the Digital board, which were introduced to them this year.

Textbooks, Individual and class timetables were distributed to all teachers. Teachers have prepared their year plan for the seamless transaction of the yearly activities.

Grade 10 Special - First Day at School

The Principal, Vice-Principal, Class teachers and the Subject teachers conducted an orientation for grade 10 students on setting goal, following an action plan, maintaining personal hygiene and live up to the expectations of the parents and the alma mater by exceeding the result of 24-25.

Books and uniform Distribution

The books and uniform distribution started on 14th May and ended on 21st for all classes. An extension (for 3 days) was also arranged for parents who could not collect it on the scheduled dates.

Re-Examination and Outcome

Re-examination was conducted from 20th to 27th of May for **53 students** who failed in more than 2 subjects in the annual examination. The results were published on 26th & 27th May. The Hon. Secretary, Principal and Vice Principal along with teachers addressed the parents on supporting the students at home and regular follow-up with teachers, which will help in academic improvement. Most of them were conditionally promoted to the next class.

Kalabharati Promotional Talk

The committee member, Dr. P. K. Nagalakshmi spoke to teachers to promote students to take up Kalabharati classes. She emphasized that learning different art forms will have a positive impact on the students' learning.

Cultural Outreach Program

The concert was presented on 17th May, 2025 (Saturday) from 6:30 pm to 9:00 pm. This was the 144rd cultural outreach program organised in collaboration with the BVB Bangalore and Infosys foundation.
