Student Enrichment Programs

Archeological Department, Gangotri

Students of 8&9 explored the artefacts of the archaeological excavations from Doddalathur Village, Chamarajanagara District on the 1st of December. The exhibition highlighted the findings from the excavation site, including various types of buries found in and around the region and their traditional significance. Students learned the burial practices followed around 600 BC, which revealed how people lived and honored the dead. The exhibition displayed informative charts, preserved samples, ancient tools, and historical evidences that helped students understand the cultural and historical background of the excavation site. This visit helped them gain valuable knowledge on exploration, excavation techniques, and the importance of preserving historical findings for the future. BVB thank the **Committee members Dr. J. V. Gayatri and Mr. Ganagadhar** for the insights during the monthly meeting that helped us to organize this trip on a short notice.

Aspiring Mysuru Mega Expo

On 19th December, Students of 8 and 9 visited the exhibition, Aspiring Mysuru. This exhibition created awareness on various Union government schemes, public sector enterprises, the vision of Viksit Bharat 2047, and innovations across sectors.

Bharatiya Bhasha Utsav 2025

As per the department circular on 4th December, students and Kannada teachers prepared and displayed the “Kannada Language Tree”. This activity symbolized linguistic learning and connection. Students updated the tree with Kannada scripts, facts on poets and inspiring quotes.

Children's Right Club

- **Session on Child's Rights, Duties and Responsibilities:** The student representatives of the Children's Right Club were briefed about the rights, duties and responsibilities of children on 8th December by the nodal officer Ms. Sheela as part of the awareness creation drive.

■ Child Safety and Awareness

Students of grade 1-7 attended an awareness session on 12th December by Smt. K.R Nikithakiran, Principal of Learners Space and a volunteer in the youth wing of Yi under CII. Under the project MASOOM, a CSR initiative of CII, students were given insights on good and bad touch.

Observation of 69th Death Anniversary of Dr. B. R. Ambedkar

The 69th Death anniversary of Dr. B. R. Ambedkar was organized at the school auditorium on 6th December. Starting with a Buddhist prayer followed by a Kannada drama on the life of Dr. B. R. Ambedkar, the representatives Dr. S. Narendrakumar, Director and Dr. J. Somashekar, Senior Professor of Dr. BR Ambedkar Research and Extension centre, Manasagangotri, Mysuru interacted with students and clarified their doubts.

Cultural Performance

Mysuru Palace

On December 22, 2025, 30 students participated in the Winter Dasara celebrations held at the Mysore Palace Grounds. The students presented a thematic dance based on Varaha Narasimha. It's a great pride for the institution and the team was felicitated by Dr. J. V. Gayathri, committee member of Bharatiya Vidya Bhavan. We express our heartfelt gratitude to Sri T. S. Subramanya for providing this prestigious platform, enabling our students to showcase their talent at such a grand cultural forum.

Dasara Exhibition

Under the special interest of DDPI, the winners of the Cluster Level Kalotsava 2025 performed "Janapadha Kolata" at the Mysore Exhibition Grounds as part of the Kalasambrama event held on December 22, 2025. The performance, presented by a group of five students, received an overwhelming response from the audience.

External Examinations

SOF Olympiad Examination

128 students participated in the SOF Science Olympiad on 11th December. With this all the Olympiads are completed for the academic year 25-26. Results are awaited in the month of February.

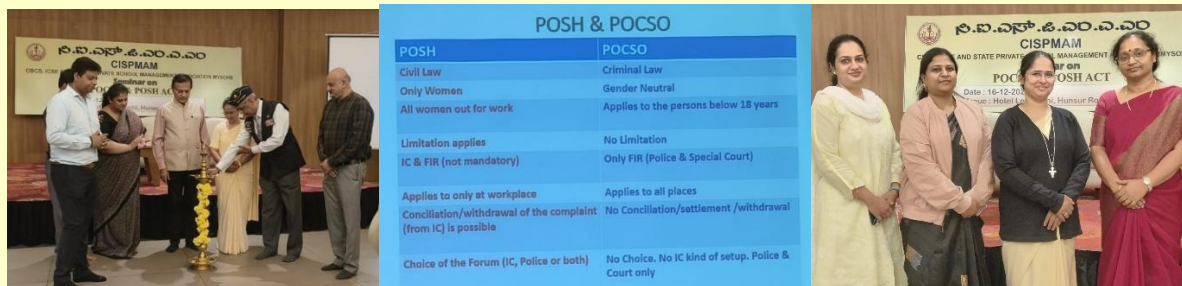

Sanskrit Sarala Exam Preparation

With the intent of promoting Sanskrit language, there are 43 candidates (including students, teachers, office staff and others) who are writing the Sarala Exam in February. Doubt-clearing sessions have been planned to assist the first-generation learners. We have completed 2 out of the 5 doubt clearing sessions. On request, our in-house Sanskrit teachers are conducting the sessions without any remuneration.

Teacher Enrichment Program

CISPAM-POCSO and POSH Act

An awareness program was arranged by CISPAM on 16th December at Lee Ruchi, Mysuru to educate school leaders on child protection laws, mandatory compliance measures and creation of safer school environment. Sister Melagrin, State resource person spoke on POCSO and Rtn. Col. Ravi, an expert in law spoke about POSH Act and the difference between the two.

Quantum Experientia -Season 2

Students who were shortlisted in **AI Gnana Young Innovator Hunt** held in August 2025 and Ms Geetha, BVB Mathematics teacher attended the Quantum Experientia, a hands-on science learning program presented by **Ankit's SciLab**. Later **V. Shivashankara Sastry**, a science and mathematics communicator along with **Ankith Rathore**, alumnus of IIT Bombay and Physics Faculty presented mind blowing experiments on static electricity. Mr. S. S. Sastry performed interesting tricks on mathematics and explored the concepts through origami.

Campus Interview @ IMKTA

As part of the mutual professional commitment, BVB has been practicing submission of continuation letters from in-service teachers. This year 12 teachers are discontinuing their services at BVB. The reason stated are higher studies (2), family (3), health (3), relocation (2) and higher salary (2).

To get better replacement, our teachers Ms Supriya and Ms Latha set up a pavilion for campus interview at IMKTA teacher training Academy.

Shortlisted candidates will be called for demonstration classes and personal interview during the first week of January.

10th Special

1st Preparatory Examination (School Level)

The first preparatory examination was conducted by the school from 15th to 20th December. Evaluation of papers are in progress. The department level preparatory exams will be conducted in the month of January and February (5-10 January, 27-Jan to 2-Feb and 23-28 Feb). The final examination is due from 18th March 2026 to 2nd April 2026.

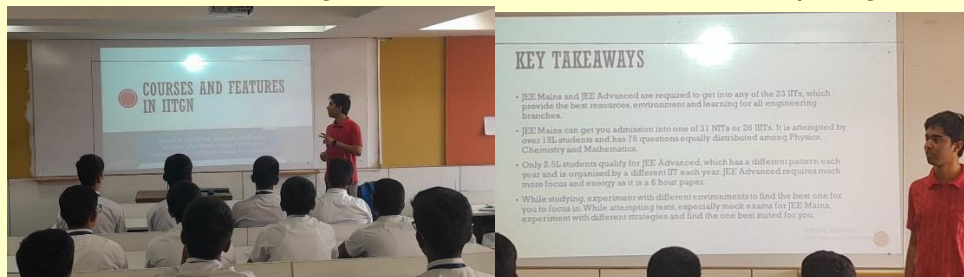

HM's Meeting @ St. Philomena's School

An all-HM's meet of 126 schools in North Zone was organized at St. Philomena's by BEO Mr. Revanna. A book titled "Kalika Bembala" curated by resource persons (in-service teachers) was released. This is exclusively meant for students who are in NC (not clear) category.

Interaction with an IIT student

10C students got an opportunity to interact with a recently qualified IIT student, Kishan Saichinmai Matam (son of Ms Roopa Matam, English teacher) who shared his preparation strategies, course selection, ranking and choice of college. He also showed some visual of the campus life at IIT Gandhinagar and clarified the doubts of aspiring students.
