Kindergarten students were given take aways and sweets on the reopening day.

Student Enrichment Programs

Educational Tours

- **JSS Science and Technology University**

9&10 grade students visited the JSS Science and Technology University to take part in the “Open Day 2026” which was held on 6th June.

Our students participated in the poster making competitions, in which Saanvi AV of grade 9th and Arnav S of grade 8th bagged 1st prize in Environment and Health themes respectively.

- **Visit to supermarket**

33 pre-KG students (total strength 43) visited the More supermarket on Kalidasa Road as part of their theme book activities.

Sessions on Young Indian Parliament and Debating Skills

This academic year, 16 students of 9&10 and 11 students of 8&9 have enrolled for Young Indian Parliament (YIP) and India's International Movement to Unite Nations (IIMUN) respectively. There is a growing trend in students taking up such initiatives, where they can hone their oratory skills.

Ms Deekshita (batch 2025) and Mr. Pradyumna Bhat (batch 2023) trained students who have registered for the YIP and IIMUN programs, which will be happening on 26&27th June at Hotel Quorum and 3rd to 6th July in Manasarowar Pushkarini Vidyashrama respectively.

NCC Camp

24 students and the ANO Mr. Venkatesh of 13 Kar battalion attended the NCC camp at Abdul Kalam Residential School at Doddakanya Village from 6th to 15th May.

Over 600 cadets take part in 10-day NCC camp

MYSURU

As many as 600 Cadets from schools and colleges across Mysore, Chamarajinagar, and Mandya distt affiliated with 13 Karnataka Battalion NCC/ Gp HQ Mysore are participating in 10 day CATC/ IDDS III Camp under aegis of Group HQ NCC Mysuru at Dr APJ Abdul Kalam Residential School, Doddakanya, Mysuru.

The camp was inaugurated by

Madhu Kumar P, the Principal and staff of the school.

The Cadets are enthusiastically taking part in the camp where military subjects including map reading, weapon firing, section drill and living off the urban area is taught. The camp is also conducted to include a number of guest lectures like career in armed forces, health and hygiene, fire prevention demos, road traffic discipline, legal aspects of POCSO and cyber security.

13 Karnataka Battalion Commanding Officer Lt Col Sanjeev Kodathe, AO Lt Colonel Arun Maurya, Subedar Major Manoj, Permanent instructor staff of 13 Karnataka Bn NCC are part of the camp conducting team.

The camp has been turning out to be a huge success as local population is getting awareness of NCC and it is a drive with the objective of creating awareness among the students in rural areas.

World Environment Day

We had a special assembly on the World Environment Day in which grade 10 students briefed on the importance of the day. Teachers conducted various activities on the conservations of flora and fauna for the sustenance of the planet.

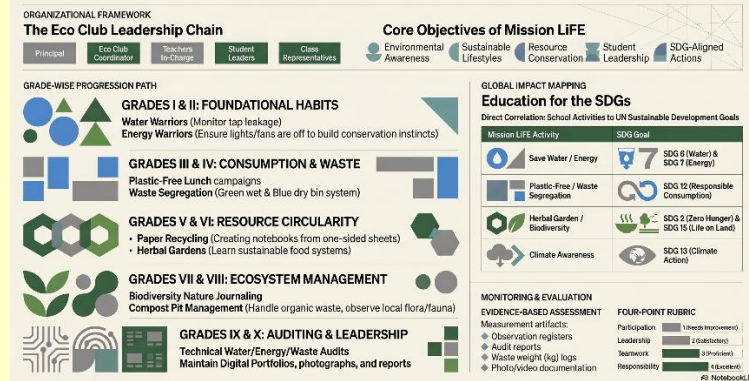

Special attraction was that of the kindergarten, where students dressed in green potted a few plants.
